HOW THE SPANISH WAS CHECKED

Every Spanish word and phrase in this pack was copied from the sources below, which we checked on 31 October 2026: the Cambridge Dictionary's English–Spanish pages (one page per English word) and BBC Languages' guide to Spanish. Facts about speakers come from the Instituto Cervantes. Where the dictionary gives more than one Spanish word, we say so. Words we could not find in these sources were left out.

HOW TO HEAR THE WORDS

We don't make up English-letter spellings of Spanish sounds. To hear Spanish, ask a Spanish speaker or a teacher. BBC Languages' archived Spanish pages (bbc.co.uk/languages/spanish) also list Mi Vida Loca, a video course for beginners.

NEED HELP?

Useless can't help (he's an eraser, and he's not allowed to rub out the little n on top of the ñ), but we can. Problems with your file, or spotted something we should fix?
